Vision and Mission:

*"Children are like clay in the hands of teachers.
Like a sculptor we can chisel and carve their personalities."*

Our Vision is to develop well rounded, confident and responsible individuals who aspire to achieve their fullest potential.

Our mission is to provide a safe learning environment with welcoming atmosphere which creates a sense of belonging amongst the students.

we maintain an inclusive environment which acknowledges and respects children from diverse family and cultural environment.

Principal's message:

From the heart of a philanthropist

The school believes in man making education. Students are gold mines endowed with potentials of creativity and talent. They need to be tapped, nurtured, nourished and channelized in the right direction. Success invariably comes only to those who adopt excellence as a perennial habit, rather than pursue it as a goal to be achieved in time. Mount Shivalik Public School is striving to give you the strength of character, more than anything else. As you move ahead, there will undoubtedly be times when you will be in turmoil- when your inherent values will appear to be in conflict with the system. It will be at such times, we hope, that all we have tried to impart you in Mount Shivalik Public School, Shimla will hold you in good stead. Let your alma mater bask in the glory for your success and happiness. Lots of love and best wishes!

About School

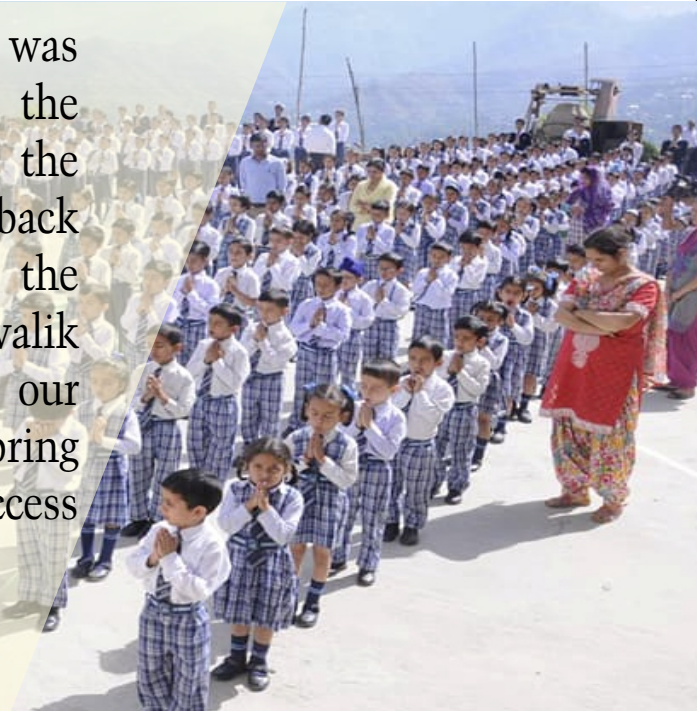

Mount Shivalik Public School is a C.B.S.E. affiliated day boarding and residential, senior secondary school. The school is situated away of the commotion and tumult of the town, in a serene and tranquil environment, amidst the Shivalik range of the Himalayas. The School ensures all round and holistic development of the students by laying emphasis on academics as well as extra curricular activities simultaneously.

Aim of the School

Nous Montons Haut

The foundation stone of the school was laid down in the year 2004 with the aim to provide quality education to the children in the vicinity. This was a far cry back then, due to absence of ample schools in the area. Since its establishment, Mount Shivalik has strived to achieve its goal by equipping our students with values, morals and skills to bring parity, so that our children can achieve success in the ever growing competitive world.

Academic Philosophy

The curriculum provided by the school plays a predominant role in shaping the students and translating the above philosophy into reality. This is evident in the Objectives of the school which work toward one core goal.

Schedule

Days: Monday to Saturday

Timing: 9:00 AM to 3:00 PM

Atal Tinkering Lab

The objective of this scheme is to foster curiosity, creativity and imagination in young minds and inculcate skills such as design mindset, computational thinking, adaptive learning, physical computing etc.

Extra Curricular Activities

Sports

“All work and no play makes Jack a dull boy” Extra Curricular activities helps the students in developing themselves holistically. They encourage the students to step out of their comfort zone and to discover their hidden talents and skills which could range from leadership skills, analytical skills, problem solving ability etc. Apart from this, they assist the students in recognizing their true passions which can later become their path to success in the future. With this thought in mind, Mount Shivalik Public School provides for the following Extra Curricular activities.
